So get in touch with us and we'll help you plan the trip of a lifetime, made just for YOU!

## The Family Menu

Our relationships with parents and loved ones are critical to enabling family members to enjoy our amazing holiday experiences. We value and appreciate the contribution you make. To coin a phrase... 'we couldn't do it without you'!

We also recognise the value to be gained by all parties – our holiday participants, many who are now regular guests and indeed friends, and equally their parents, siblings and guardians who benefit, we know, from having their own opportunities to respite and regenerate and, if the chance arises, to take their very own holiday break. So, committed to expand and extend the impact of our programmes, we are delighted to introduce our 'Family Menu' of short-break options that link, conveniently and geographically, to our exciting 2021 Go Beyond UK holiday collection. This may be a few days or a full week staying at a delightful country-house hotel, spa-resort, luxury cottage or castle. Maybe time beside the sea in a boutique hotel with a view, or conditions pertaining – an holiday overseas – in Europe or beyond. We are IATA and ATOL protected to make all the arrangements for you – door to door and with 24/7 support and with daily, reassuring updates, to keep you abreast with all the daily adventures from our Go Beyond holiday programmes.

We hope this service aimed specifically at ensuring that when Go Beyond, go beyond... everyone wins!

# Covid 19

## Experience with Covid 19 Regulations

In October 2020 we ran a supported holiday in Dartmoor, England, following tight UK Covid 19 regulations as laid out on the UK Government website.

We used bubbles of six, encouraged social distancing wherever possible, and provided everyone with hand-washing stations in the accommodation.

Temperatures were monitored each morning and recorded. Risk assessments were put in place to reduce the risk of transmission, to keep everyone safe and if anyone should display Covid 19 symptoms.

All of the policies we have in place are shared in detail with our guests and their support network.

We take Covid 19 seriously and we work to keep our guests and team safe.

 **Go Beyond Holidays**  
...with you all the way!
