Hello and Welcome to 2022

Hello everyone and a warm welcome to our brochure. We hope you enjoy looking through all the new holidays and find them inspiring. A massive thanks to Orlando Richardson, who has designed our front cover – it looks fresh and beautiful. Hopefully you will agree that it reflects our holidays.

After a very successful summer in Dartmoor in 2021, where we made new friends with everyone at Broadleas (especially the lovely little Ruairi with her golden wave to greet us each morning) this year we shall be heading to the north-western coast of Spain to a beach house near Santiago de Compostela. We are very excited to have the opportunity to explore the Emerald Coast of Spain and hope you can join us.

We are thrilled to tell you about the spring program that we hope will get your wanderlust spirit enlivened. It starts with a cultural trip to Transylvania, Bram Stoker's setting for his famous novel, Dracula. Join us to chase down the myth that clouds the truth around the 'real' Count Dracula. From there, we are off to the races in Monaco to see the Vintage Rally, a holiday that car and racing enthusiasts will love. Then we are crossing into France, where we will be heading a bit further west around the coast to the wildlife haven of the Camargue, to spend time with the famous flamingos, white horses and all that this remote place has to offer.

After a summer in Spain and a return to Provence, we'll enjoy our autumn holidays in some familiar places and with some familiar faces. We'll go from the Provençal sun to the far reaches of northern Norway in the Arctic Circle, where a week in the fjords near the city of Tromsø awaits. We'll be on one of the most beautiful coastlines in the world and we'll maybe even see the Northern Lights. From there we'll end 2022 in the city lights of London to see all the sights.

We hope you like our 2022 holidays, with some new and familiar places, you can explore with us. It is going to be a great year, see you there!

Much love

Ian and Neil

The cathedral is also the end of the famous Camino de Santiago (Way of St. James) pilgrim route. The Family Menu

Our relationships with parents and loved ones are critical to enabling family members to enjoy our amazing holiday experiences. We value and appreciate the contribution you make. To coin a phrase, 'we couldn't do it without you!'

We also recognise the value to be gained by all parties – our holiday participants, many who are now regular guests and, indeed, friends, and equally their parents, siblings and guardians who benefit, we know, from having their own opportunities for respite and to regenerate and, if the chance arises, to take their very own holiday break. So, committed to expanding and extending the impact of our programmes, we are delighted to introduce our 'Family Menu' of short-break options that link, conveniently and geographically, to our exciting 2021 Go Beyond UK holiday collection. This may be a few days or a full week staying at a delightful country-house hotel, spa resort, luxury cottage or castle. Maybe time beside the sea in a boutique hotel with a view, or, depending on conditions, a holiday overseas, in Europe or beyond. We are IATA- and ATOL-protected to make all the arrangements for you – door to door and with 24/7 support and with daily, reassuring updates, to keep you abreast with all the adventures from our Go Beyond holiday programmes.

This service is aimed specifically at ensuring that when Go Beyond goes beyond, everyone wins!

Customer Feedback

Thank you both so much for ensuring Siobhain had an enjoyable holiday in the Cotswolds. We really haven't had any negative feedback from her. She has nothing but happy memories and has returned home tired but content. Allowing the young people in the group to adapt the original holiday plan to reflect their personal needs made the experience a real holiday, we all like our views to be recognised and acted upon. **Mother of a guest.**

Just to say on behalf of Sophie thank you so much for last week, I think she had a great time. The photos of where you went were amazing and I was glad to see Sophie's walking boots in evidence. You and Neil have a wonderful set-up and you bring a lot of joy and interest into people's lives. **Parent of a guest.**

Just wanted to say thanks very much to you, Neil and your team for the wonderful holiday which you organised. The fact that she also managed to get herself a group of friends that she can continually message and is so happy is just fantastic. I am sure she will be joining you again next year and hopefully we will actually get to meet you! **Parent of a guest.**

I wanted to let you know that Tabitha is safely back home. She's had an amazing time and can't wait to come back again. Thank you and all your staff for looking after her so well and giving her such a fantastic time. I think she will certainly want to stay with you again! **Parent of a guest.**

Covid-19

Experience with Covid-19 regulations

During the pandemic, we have followed Covid-19 regulations whilst running supported holidays in England and Scotland, as laid out on the UK government website.

We have used 'bubbles of six', encouraged social distancing wherever possible, and provided everyone with hand-washing stations in the accommodation. Temperatures have been monitored each morning and recorded. Risk assessments were put in place to reduce the risk of transmission, to keep everyone safe and how to act if anyone should display Covid-19 symptoms.

All the policies we have in place are shared in detail with our guests and their support network. We take Covid-19 seriously and we work to keep our guests and team safe.

We recommend that you take out travel insurance to cover any disruptive cost resulting from Covid.
